Kingswell's History

Kingswell is a Christian based youth and family centre. It was launched in 1983 in an attempt to build bridges between the church and the community. The centre is dedicated to the needs of children, young people and families . We have seen services and partnerships develop over the years. Changing with the changing needs of the local community. Our most recent key partnership has been with Spurgeons in 1992 who provide funding and support to the centre.

Kingswell is committed to equal opportunities

Volunteering Opportunities
